Bug report

ID:	1
Summary:	No warning about an error in data management during registration if you enter only spaces in the "Full name" field
Priority:	Medium
Severity:	Minor
Enviroment:	HP 250 G7 Notebook PC. Windows 10 Pro. Version 10.0.19044 Google Chrome browser. Version 109.0.5414.120
Precondition:	1.Open the authorization page of the "Voypost" site - https://voypost-qa-20220630.firebaseio.com/login 2.Click the "Register" button
Steps to reproduce:	
1.Enter a valid email	
2.Enter only spaces in the "Full name" field	
3.Enter a valid password	
4.Confirm valid password	
5.Click the "Register" button	
Actual result:	The user is registered. The home page opens.
Expected result:	Registration does not take place. The name of the field "Full name" is red. Below the field is the inscription: "Enter a valid full name"
Attachments:	
Postcondition:	Delete registered user

ID:	2
Summary:	Dissolving the apartment search field when scrolling the page
Priority:	Low

Severity:	Trivial
Enviroment:	HP 250 G7 Notebook PC. Windows 10 Pro. Version 10.0.19044 Google Chrome browser. Version 109.0.5414.120
Precondition:	Open the authorization page of the "Voypost" site - https://voypost-qa-20220630.firebaseio.com/login
Steps to reproduce:	
1.Log in using the data of the registered user	
2 Click the "Explore flats" button	
3.Scroll down the page so that the "City" field intersects with the list of apartments	
4.Choose any city	
Actual result:	The field merges with the list of apartments. The entered information is not visible
Expected result:	The field is clearly visible against the background of the list of apartments. The entered information is easy to view
Attachments:	
Postcondition:	
ID:	3
Summary:	No warning about an error in data management when adding an apartment, if past dates are entered in the "Available from (local time)" field
Priority:	Medium
Severity:	Major
Enviroment:	HP 250 G7 Notebook PC. Windows 10 Pro. Version 10.0.19044 Google Chrome browser. Version 109.0.5414.120
Precondition:	1.Open the authorization page of the "Voypost" site - https://voypost-qa-20220630.firebaseio.com/login 2.Log in using the data of the registered user 3.Click the "Explore flats" button
Steps to reproduce:	
1.In the lower right corner, click the button "Add flat"	
2. Enter an existing address	
3. Enter the price	
4. Enter the past date	

5. Click the "Publish" button
